HELLO !

Well, here I am. The Buzzer, that's my name. I have been requested to appear early each Saturday in every house, home and street. I'm a creation (not Parisian). The merchants of whom I tell you will interest you. Saturday Bargains for you all is my special mission to you. People have demanded my presence and I'm here to stay, just as much so as any eye opener of the West.

You will find that I am going to grow and be an interesting feature of the doings and diddings of the town life. Lor' knows its slow at times in town, but you'll look forward to my weekly visit and you will put on the "old gray bonnet" and do your shopping before the rush. This is my word of introduction to you. May you live long and prosper. Don't let your enthusiasm drag just because the "World's Sweepstakes" were won by Macleod wheat. So long till next week.

The Churches If You Want A Clock

METHODIST CHURCH

REV. J. M. HARRISON, PASTOR

On Sabbath next Oct 23rd, the Rev. J. W. H. Kins of Toronto, Field Secretary for the Temperance, Prohibition and Moral Reform department of the Methodist Church in Canada, will preach in the church here both morning and evening. He is making a tour of the west and preached in Lethbridge last Sabbath and is speaking there several evenings this week.

PRESBYTERIAN CHURCH

REV. R. BOYLE, PASTOR.

Very large congregations assembled in St. Andrew's Presbyterian Church last Sunday.

The morning service was very impressive. The Rev. Mr. Boyle was the preacher, and in his sermon he showed clearly the place of the ruling elder in the Apostolic Church of the New Testament. At the close of the sermon the elders elected, viz: Mr. McPherson, Mr. L. S. McLean and Mr. Hugh Macintosh, were ordained by the session.

In the evening the Rev. Mr. Fortune, of The Moral and Social Reform, preached to a large congregation and set forth the claims of Temperance. The key note was abolish the bar.

At the close of the service a business meeting was held and the following were elected as officers of the local branch, viz:

Mr. Virtue, President.

Mr. Murdoch, Secretary-Treasurer.

On Monday afternoon the ladies of St. Andrew's congregation met to organize a Woman's Home Missionary Society. The ladies decided to unite the Foreign and Home work together, under one President, and in order that the work of this Society may be more fully understood, Mrs. Fortune, of Edmonton, will meet the ladies of the congregation, at a Social and Missionary meeting in the Manse, on Thursday afternoon the 27th inst., at 4 o'clock.

Hang your hat in Macleod and read the Buzzer.

Liphardt, "your Jeweller," unpacked a large shipment of English Jewelry.

The publication of the Buzzer will not intrude or interfere in any way with The Advertiser. Buzzer is under different management although printed off the same presses.

A slight bank scare was pulled off the other night when the local police found the backdoors of the Union and Commerce Banks open in the early morning hours. The police were excited at finding the doors open and the bank clerks scurrying about upstairs in their "nighties" were also considerably worked up. The "round-up" made on this occasion was nothing more or less than a dusty old hat. Hurray.
